HAIL CANOPIES KEEP YOUR FLEET SAFE

**EXTREME
HAIL PROVEN**

THE WEATHERSOLVE ADVANTAGE

WEATHERSOLVE HAIL CANOPIES

Side hail protection as well as from the top for when the wind doesn't cooperate

Allows natural light to shine through so you can show off your inventory

Full lot coverage, optimized to create space for all of your inventory

Extra protected space for emergency storm parking

Can be built to any height to match tall vehicles such as RV's and trucks

Minimal number of poles

TENT SOLUTIONS

No protection against wind-blown hail, exposing your inventory

Casts unattractive shadows on your inventory

Less space for inventory due to space taken up by poles

No spare space for customer parking
